

Good Citizens

What is a good citizen?

A good citizen does his or her part to make your school (or community) a better place.

A good citizen cooperates with others. S/he follows the rules (or laws). S/he shows respect to others, especially authority (like teachers). S/he tries to be a good classmate (or neighbor).

S/he even volunteers to not only help others, but to also take care of the classroom (or community - and even our planet Earth). {...even if no one asked him/her to!}

Good or bad choice? circle YES or NO

Does she make a smart choice?

biting
