

Walking in the morning in winter

Listen to teacher and read the story.

My name's Lucy and I'm twenty-one years old. I'm a student at University. When I get up in the morning, I find my dog Buddy, waiting for me. He wants to go outside for a walk. First I have breakfast. I have coffee and toast with jam. Then I wash, brush my teeth and put on my warm trousers, my boots, my winter coat, my warm gloves and my hat, because it's really cold. It's snowy today! We go to the park near home. Buddy runs and jumps and he also barks at other dogs. He likes snow and wants to eat it. He's funny! When I'm cold and my hands are

frozen, we go back home.
