

MY BEDROOM

1) READ AND COLOUR THE BEDROOM

Hello! My name is Carole. I am ten. I live in London. This is my bedroom. The walls are orange and the floor is light green. The window is light blue. My bed is big and comfortable, it is near the window. It is pink and blue. Over the bed there is a nice painting. In my room there is a yellow desk with a white computer on it. In front of the desk there is a purple chair and over the desk there is a yellow cupboard. Near the window there is a brown clock.

I love my bedroom; it's my favourite place in my home.
