

Amy and the first day of school

1) Read and colour Amy as requested

Amy is ten years old. She has got blonde hair and blue eyes. She lives with her mum, dad, grandmother and little sister in London.

During the summer holidays Amy and her family stayed in a house next to the beach. Amy played with her sister Lillian on the beach, they made sand castles and swam every day in the sea.

Today is the first day of school, she's a little nervous because she has new teachers but she's also excited because she can see her friends.

2) Read write TRUE or FALSE

Amy gets up at seven o'clock, she washes her face and brushes her teeth. She puts on her school uniform: a white blouse, a red jacket, a blue skirt, white socks and black shoes.

Then she has breakfast and she has tea with biscuits. At eight o'clock Amy goes to school by car with her dad.

She's got a yellow schoolbag and a pink lunchbox.

When she arrives at school Amy hears someone calling her, 'Amy, Amy', she sees her friends Lucy and Carole.

'Bye dad', says Amy and she runs to meet her friends. They all hug each other and they are so happy to be together again. Amy is happy. It's a fantastic first day of school!
