

SAINT GEORGE

St George's Day is on 23rd April. It's England's national day. St. George is the patron saint of England. His emblem, a red cross on a white background, is the flag of England. The national flower of England is the red rose. One of the best-known legends about Saint George is his fight with a dragon. The dragon lived in a cave and terrorized the town. People offered the princess from the castle to the dragon. St George was a brave young man who heard this story and rode to the town carrying a shield with a red cross. He killed the dragon and saved the princess.
